AREAS OF INTEREST

Disability and Rehabilitation	Change and Development
Health Care Organization	Institutions and Organizations
Child Welfare and Maltreatment	Policy Analysis and Evaluation
Poverty and Institutional Capacities	Sociology of Science and Research

RESEARCH AND TRAINING ACTIVITIES AND SUPPORT

- Principal Investigator, study of Socioeconomic Conditions and Poverty in Egypt, at Social Research Center (SRC) of the American University in Cairo (AUC), supported by The Ford Foundation, (\$382,925), 1992-98.
- Principal Investigator, study of the Organization of Work and Production in Rural Egypt, at SRC/AUC supported by DANIDA, (\$419,236), 1994-98.
- Principal Investigator, grants for Population Research at SRC/AUC, The Andrew W. Mellon Foundation (\$330,000), 1991-94; renewed (\$325,000) 1995-97.
- Principal Investigator, Research on Development in Egypt, at SRC/AUC, supported by DANIDA (\$191,300), 1992-93.
- Principal Investigator, grant for Rebuilding the Social Research Center, (SRC) of American University in Cairo (AUC), The Ford Foundation (\$42,500), 1991-95.
- Principal Investigator, study of Industrialization and Economic Security in Egypt, supported by US National Science Foundation (\$20,000), 1990-92.
- Principal Investigator, study of Ethnic Nationalism, supported by Mershon Center, The Ohio State University (\$41,000), 1989-90.
- Prepared an application for a State Board of Regents' "Excellence Award", on behalf of the Department of Sociology, for studies in Social Change and Development, which brought significant additions to the department's budget, 1998.
- Co-Founder with Professor Philip Sorensen (College of Law), the Socio-Legal Studies Center at The Ohio State University affiliated with one (same title) at University of Oxford, England; initiation grant from the Office of Research and Graduate Studies, The Ohio State University (\$150,000), 1989.
- Principal Investigator, National Disability Interview and Examination Surveys, supported by the US Social Security Administration (\$2,876,188), 1980-84.
- Principal Investigator, study of Dimensions and Measurement of Disability, supported by the US Social Security Administration (\$241,844), 1979-82.

- Co-Investigator, study of the Role of Social and Economic Security in Family and Community Life in Egypt, in collaboration with the Social Research Center, American University in Cairo, supported by the US Social Security Administration (LE 177,600), 1976-82.
- Co-Investigator, study of the Influence of Industrial Development on Economic and Social Security in Egypt, in collaboration with Cairo University, supported by the US Social Security Administration (LE 281,902), 1976-82.
- Principal Investigator, study of the Feasibility of Standardized Determination of Disability and Long-term Care, supported by the Office of Assistant Secretary for Planning and Evaluation, US Department of HEW (\$414,681), 1974-78.
- Principal Investigator, study of the Structure and Performance of Programs on Child Abuse and Neglect, supported by the US Office of Child Development, HEW (\$396,719), 1974-77.
- Principal Investigator, plan for Comparative National Evaluation of Vocational Rehabilitation Services, supported by the US Rehabilitation Services Administration (\$325,000), 1974-76.
- Principal Investigator, Study of Relations between Service Organizations and the Public, supported by The US Social and Rehabilitation Services Administration, The US Social Security Administration, and The Office of Assistant Secretary for Planning and Evaluation, HEW, (1,118,307), 1971-76.
- Principal Investigator, Plans for a National Center for Disability Research in the US, supported by the US Social Security Administration (\$300,000), 1967-71.
- Principal Investigator, Studies in the Natural History of Disability, supported by the US Social and Rehabilitation Services Administration (\$375,000), 1966-71.
- Principal Investigator, study of Congruency of Medical and Self-Reports of Disability, support from US Social Security Administration (\$8,203), 1964-65.
- Developed a Graduate Program in Medical Sociology, received training grants from the US National Institute for Mental Health and the US Vocational Rehabilitation Administration (\$586,937), it produced more than 40 Ph.Ds between 1962 to 1980,
- Principal Investigator, inter-state study (Ohio, Louisiana, and Minnesota) of Decision - Making in the Social Security Administration on Disability Benefits and Rehabilitation Services, supported by the US Vocational Rehabilitation Administration (\$1,499,041), 1961-68.
- Principal Investigator, study of Heart Disease, supported by the Central Ohio Heart Association (\$18,000), 1957-59.
- Research Associate, study of Population Change and the Impact on Social Systems in the Rural-Urban Fringe, supported by the North Central Regional Committee on Population Research (USDA), 1955-57.
